

# Guidelines for Using Preventive Maintenance Technologies

## CONTENTS BY SUBJECT

- Pavement Evaluation and Project Selection
- Asphalt Pavements
  - Seal coats
  - Micro-surfacing
  - Thin hot-mix overlays
  - Pavement recycling
  - General asphalt information
- Concrete Pavements
- Gravel Roads—Maintenance and Design Manual (FHWA/SD LTAP, 2000)
- Pavement Preservation Checklists (FHWA/FP<sup>2</sup>, 2001–2002)

## CONTENTS BY CONTRIBUTING ORGANIZATION

- AEMA—Asphalt Emulsion Manufacturers Association
- ARRA—Asphalt Recycling and Reclaiming Association
- ISSA—International Slurry Surfacing Association
- FHWA/FP<sup>2</sup> Partnership—Federal Highway Administration/Foundation for Pavement Preservation
